#1 - COUNTRY RETREAT - This room provides all the amenities for a COUNTRY RETREAT. The king size bed, down comforter and warm glow of the fireplace creates a very relaxing atmosphere. If you're feeling a little weary from your travels, climb into the 2 person hydrotherapy spa tub and enjoy a body massage to help you relax. To complete your country retreat experience, look out your window which overlooks the grounds and you may see a few deer hanging around enjoying the beautiful landscape, much to Innkeeper Dave's dismay. \$145.00 + 8% Room Tax - Sleeps 2 Adults.

#2 - MOUNTAIN COMFORT - Not only does MOUNTAIN COMFORT offer you a view of the mountains, but the décor of this room will transport you to the outdoors. Enjoy the warmth of the down comforter on the king size log bed, watch the glow of the fireplace, and dream of floating down the river in the hand-made wood canoe which you'll find featured in this room. \$145.00 + 8% Room Tax - Sleeps 2 Adults.

#3 - CABIN ROMANCE - The main floor suite features a fireplace that can be enjoyed from the beautiful Wrought Iron bed or from the 2 person hydrotherapy spa tub.
